SAFETY PRECAUTIONS FOR THE BEAUTY INDUSTRY

By following safety precautions, you contribute to the health, welfare, and safety of the community. Keep a first aid kit on hand, follow safety regulations, and keep equipment properly sanitized. The following precautions should always be taken with each service guest:

- 1. Protect the guest's clothing by appropriately draping them.
- 2. Ask the guest to remove any jewelry, hair accessories, glasses, etc.
- 3. Keep any and all chemicals away from the eyes. In case of eye contact with chemicals, thoroughly rinse the eyes with cold water.
- 4. Wear gloves when working with chemicals.
- 5. Remember that anything containing chemically active ingredients must be used carefully to avoid injury to you and your service guest.
